Wears a Smile.

Why is Mr. O. L. Flowers, the accommodating motorman on the Wilsonburg car wearing such a broad and happy smile? The cause of it is over a ten-and-a-half-pound boy which arrived at their home in Point Comfort Sunday. Mother and baby are doing nicely.

The Ancient Order of Hibernians initiated a class at Fairmont Sunday. The work was done by a degree team from this city. About twenty-five attended from this city.

The one-year-old son of Policeman Nicholas White died this afternoon after an illness with stomach trouble. Arrangements for the funeral have not been made as yet.

Dozen Drunks in Police Court

One dozen cases were attended to by Mayor Harmer at the regular session of the police court this morning. Five were of prisoners in captivity and seven were put-up cases. Three of the former were Sunday drunks and they got the usual dose for being intoxicated on the Sabbath. Perry Clark, colored, drew three days in default of a \$3 fine for being drunk on Saturday night.

Andy Reed was up for being drunk Saturday night and indecently exposing himself on the street. He was fined \$8 and costs which he made arrangements to pay.

Mike Quinn was one of the Sunday drunks and in default of paying \$11.60 into the city's exchequer he was sent to jail for ten days. J. F. Geisinger and Allen McNemar also drew ten days each in jail in default of paying \$11.60 each for Sunday drunkenness.

The put-up cases were as follows: The money deposited in each case being forfeited for non-appearance at the session this morning: S. Propst, \$3 and costs; Julius Danix, \$3 and costs; Jack Hartwell, \$3 and costs; Frank White \$3 and costs; Mike Numan, \$3 and costs; Rex Johnson, \$3 and costs, and Lewis Page \$3 and costs.

HOWE'S PICTURES WERE ELEGANT

Lyman H. Howe's moving pictures were the attraction at the Grand Saturday matinee and night, both exhibitions. The audience at there was a good attendance at night was the most representative and cultured that has been seen at the Grand in a long time.

It is a fact beyond disputing that in the moving picture field Lyman H. Howe stands alone. There are no other pictures exhibited that taken by his own corps of photographers at enormous cost, they always reveal something new and interesting. The world is Mr. Howe's field, and he acquires the four corners of the world for his subjects.

Among the feature pictures that were shown Saturday, were the Royal Spanish wedding, the Olympic games at Athens, the eruption of Mt. Vesuvius, the Henley regatta the carnival at Nice, and numerous others. It can be truthfully said that to see Lyman Howe's pictures is a liberal education.

All members of the order are requested to be present at 7:30 o'clock as the lodge meeting will close at 8 o'clock and an open session, to which all are invited will then be held in which the debate will be given.

New Dancing Class

A new dancing class will be started for a regular term of lessons by Howard Blake, the dancing master, in the Elkbridge dancing hall Tuesday evening and all who wish to take lessons should apply for entrance into this class. The last class he taught ended the term last Thursday night and it was a very successful one.

The Time for Buying Furs Women's, Misses' and Children's

THE very best time for discussing Furs, especially Fur Coats, is now, when lines are new and entirely complete. Very few women will buy a fur coat without personal inspection of the different styles. But if there are women who read this paper and who cannot come to this city for the express purpose of buying a fine coat we would be very much pleased to send your size and style on approval.

For the small furs, as Scarfs, Boas and Muffs, you can buy them just as satisfactorily through the mail, or phone, as if you were here in person.

And let us say, we stand back of every fur piece we sell.

Fur Transactions

have grown wonderfully in number and importance since the frost got in the air.
